

WISERFUNDING

IDENTIFIERS BY COUNTRY

are used for classifying business establishments by the country to which they are registered.

05 / NOV / 2025

International Securities Identification Numbers (*ISIN*), Legal Entity Identifiers (*LEI*), and Value Added Tax numbers (*VAT*) can be used to find companies registered in Europe with an ADS Company Search on our Platform.

The table below outlines country-specific company identifiers that are recognised on our Platform *and* API Endpoint.

Country	ISO	Identifier	Type
